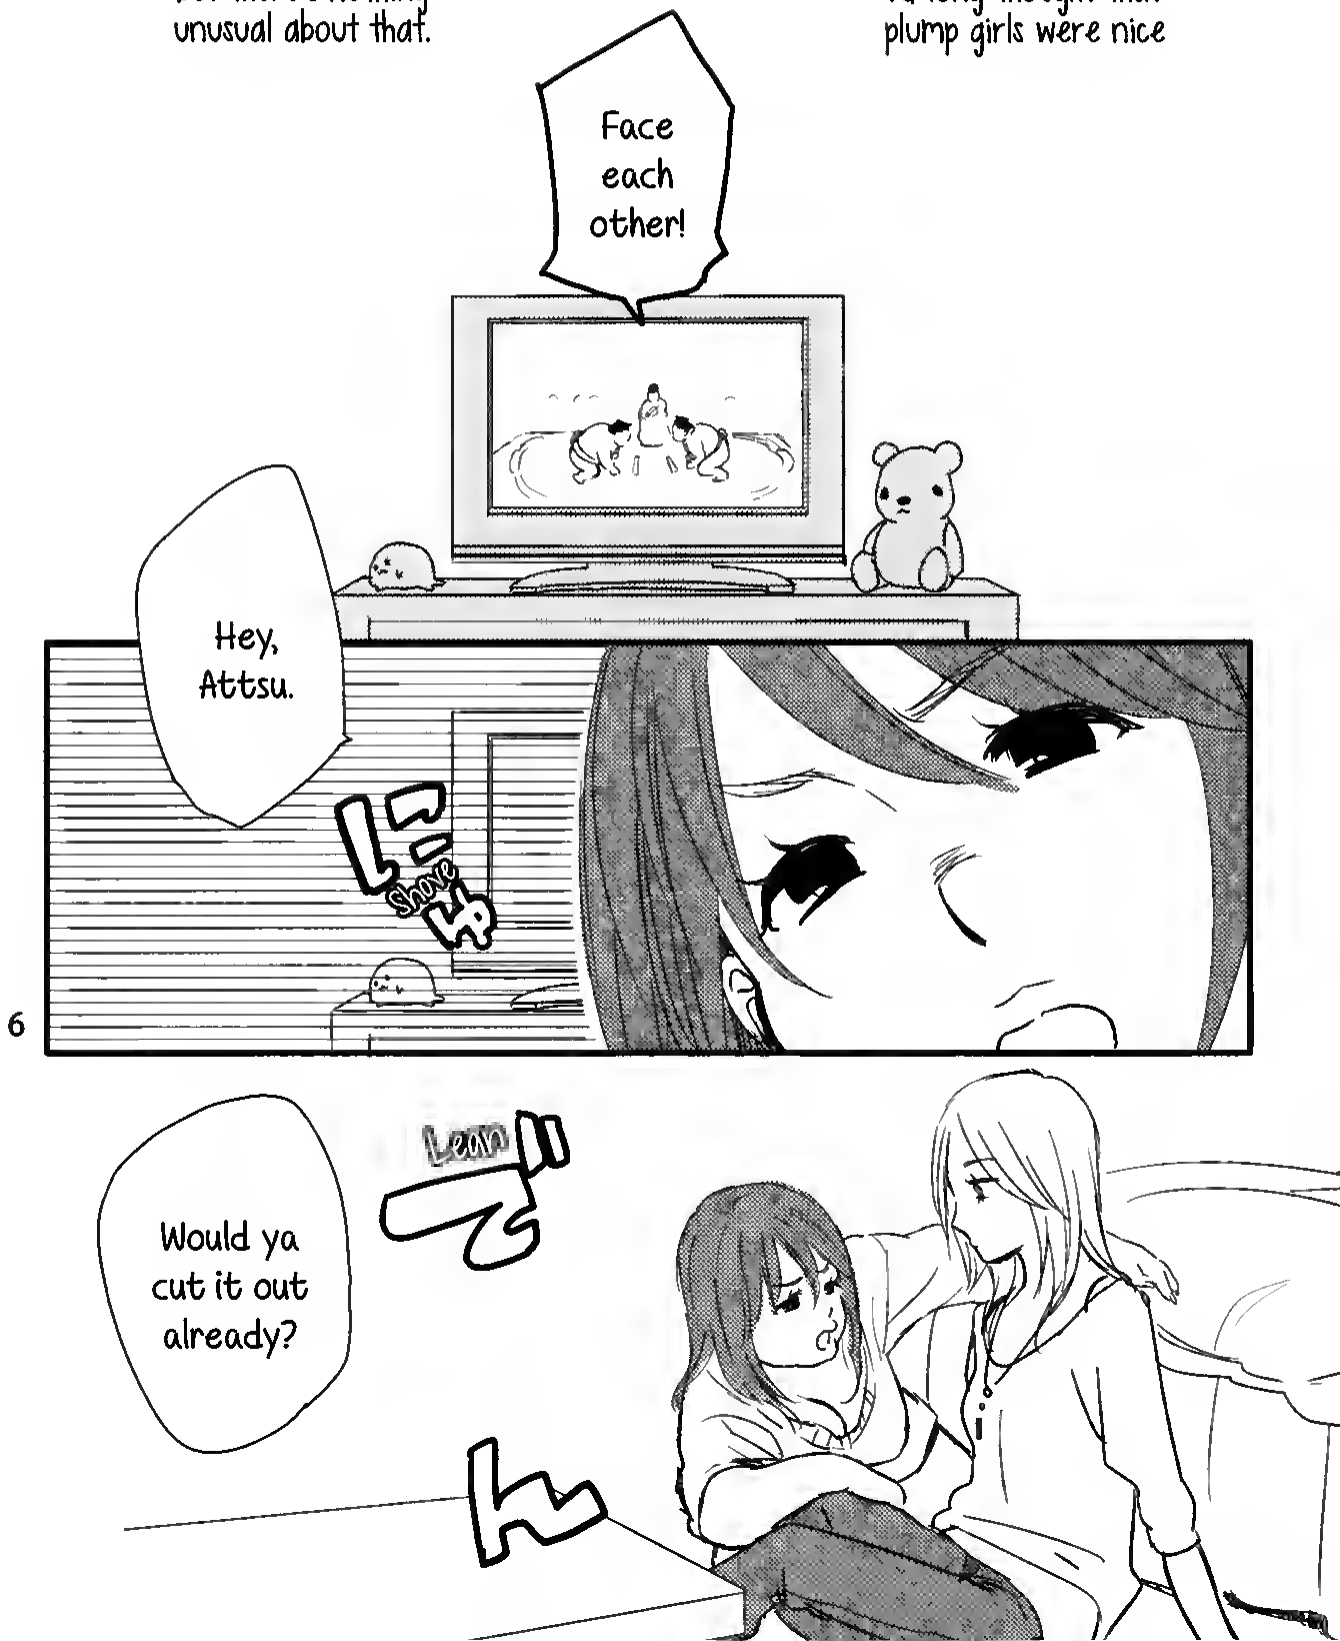
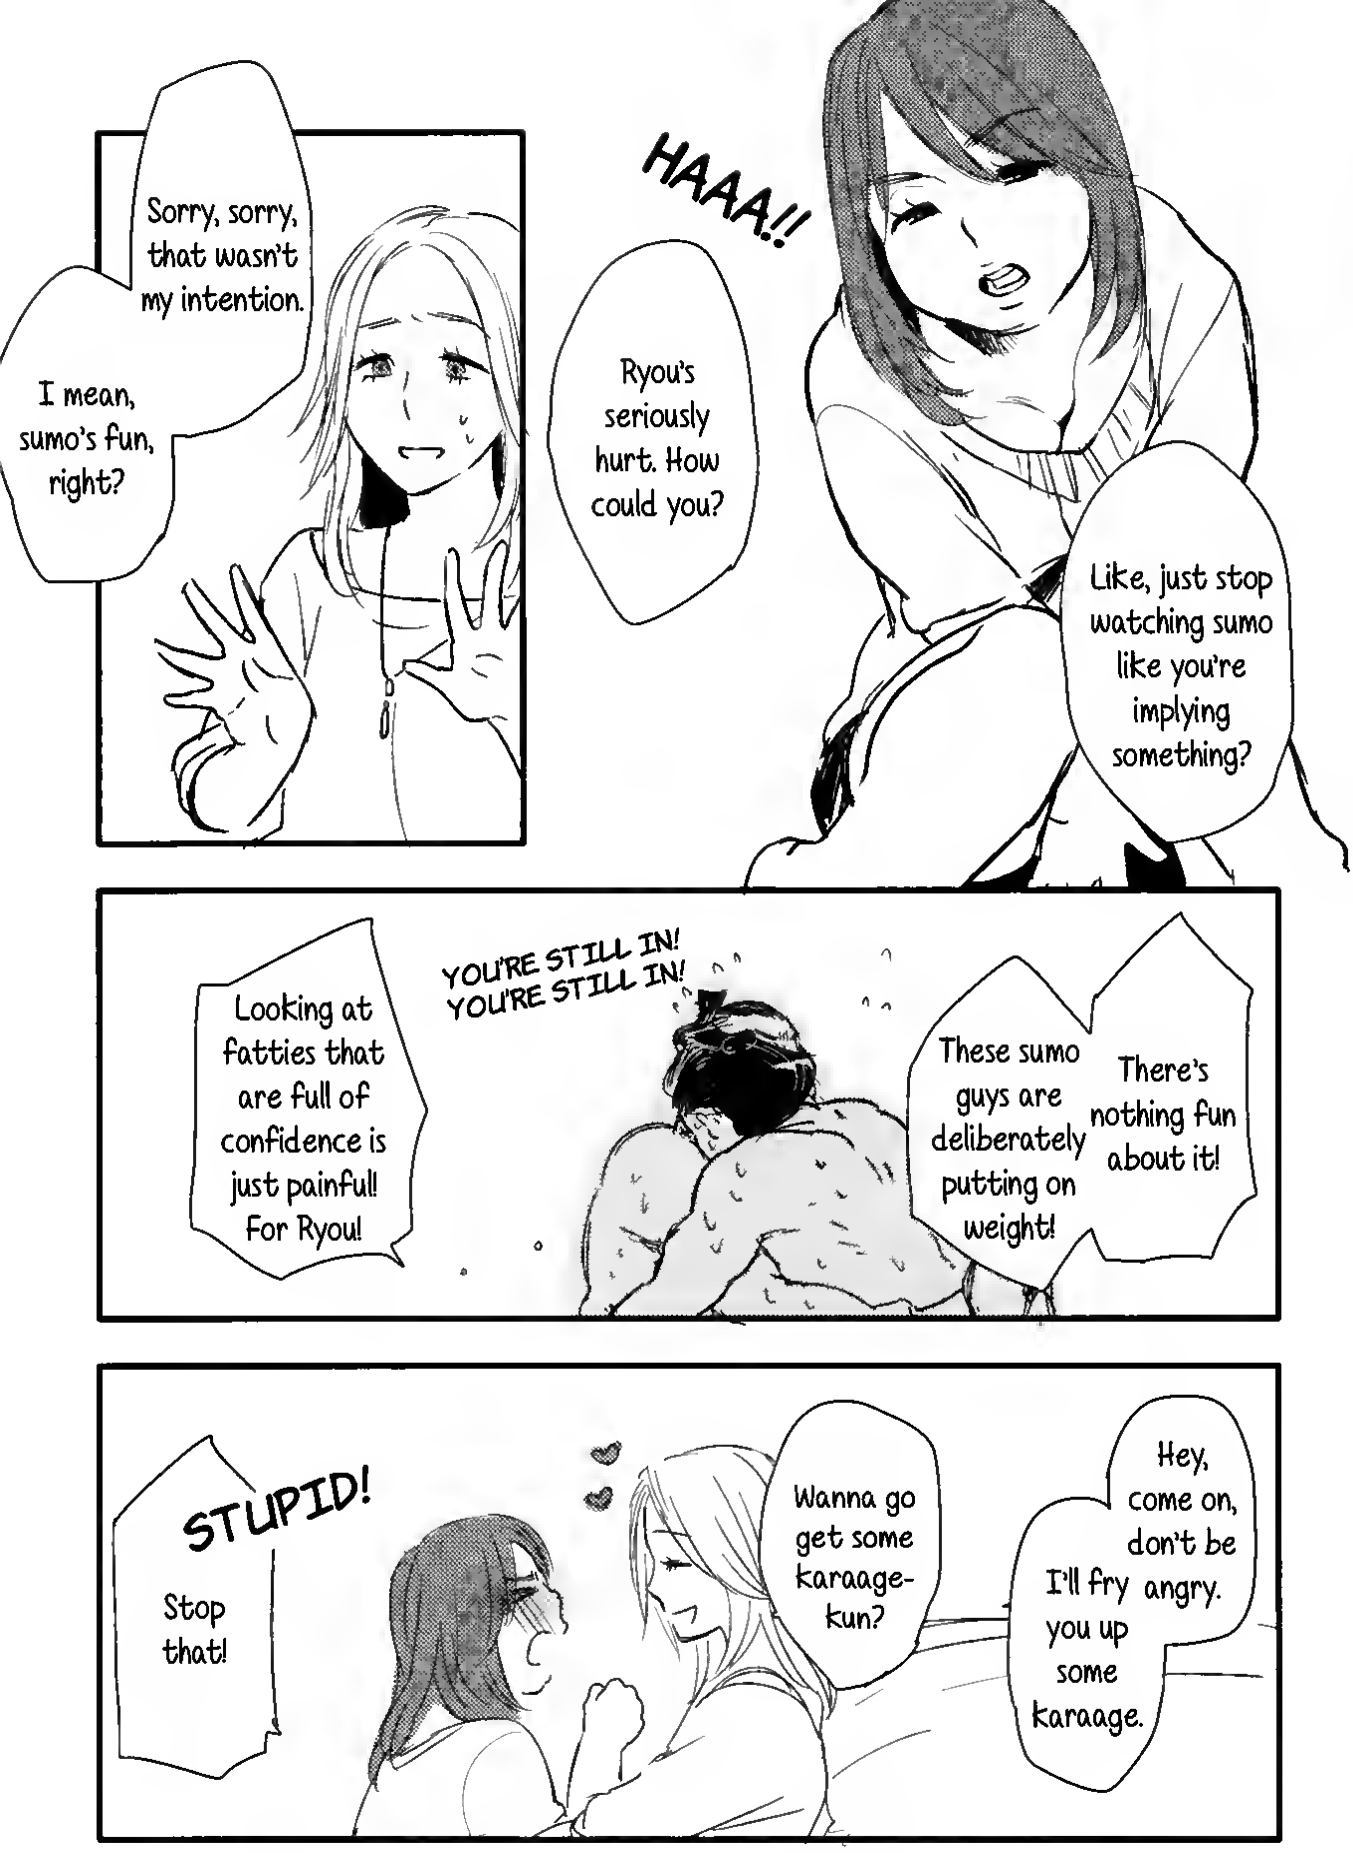
"Bombshell" means something like, "a sexy girl."

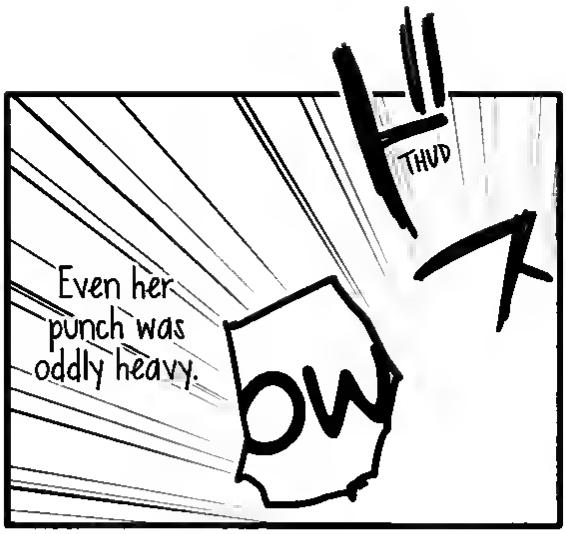
Shiromuchi



but there's nothing unusual about that.
I'd long thought that plump girls were nice
Face each other!
Hey, Attsu.
Shave
Would ya cut it out already?
Lean



Like, just stop watching sumo like you're implying something?
HAAA!!
Ryou's seriously hurt. How could you?
Sorry, sorry, that wasn't my intention.
I mean, sumo's fun, right?
There's nothing fun about it!
These sumo guys are deliberately putting on weight!
YOU'RE STILL IN! YOU'RE STILL IN!
Looking at fatties that are full of confidence is just painful! For Ryou!
Hey, come on, don't be angry.
I'll fry you up some karaage.
Wanna go get some karaage-kun?
STUPID!
Stop that!



THUD
Even her punch was oddly heavy.

Let me punch you.

Eh? No way.

Hmphh!

I mean, there aren't really any good-looking girls who don't have another side to them, so it's fine.
And it's great that Ryou-chan works hard at her job offering food samples.
On the surface
THESE WIENERS
ARE SOOO GOOD

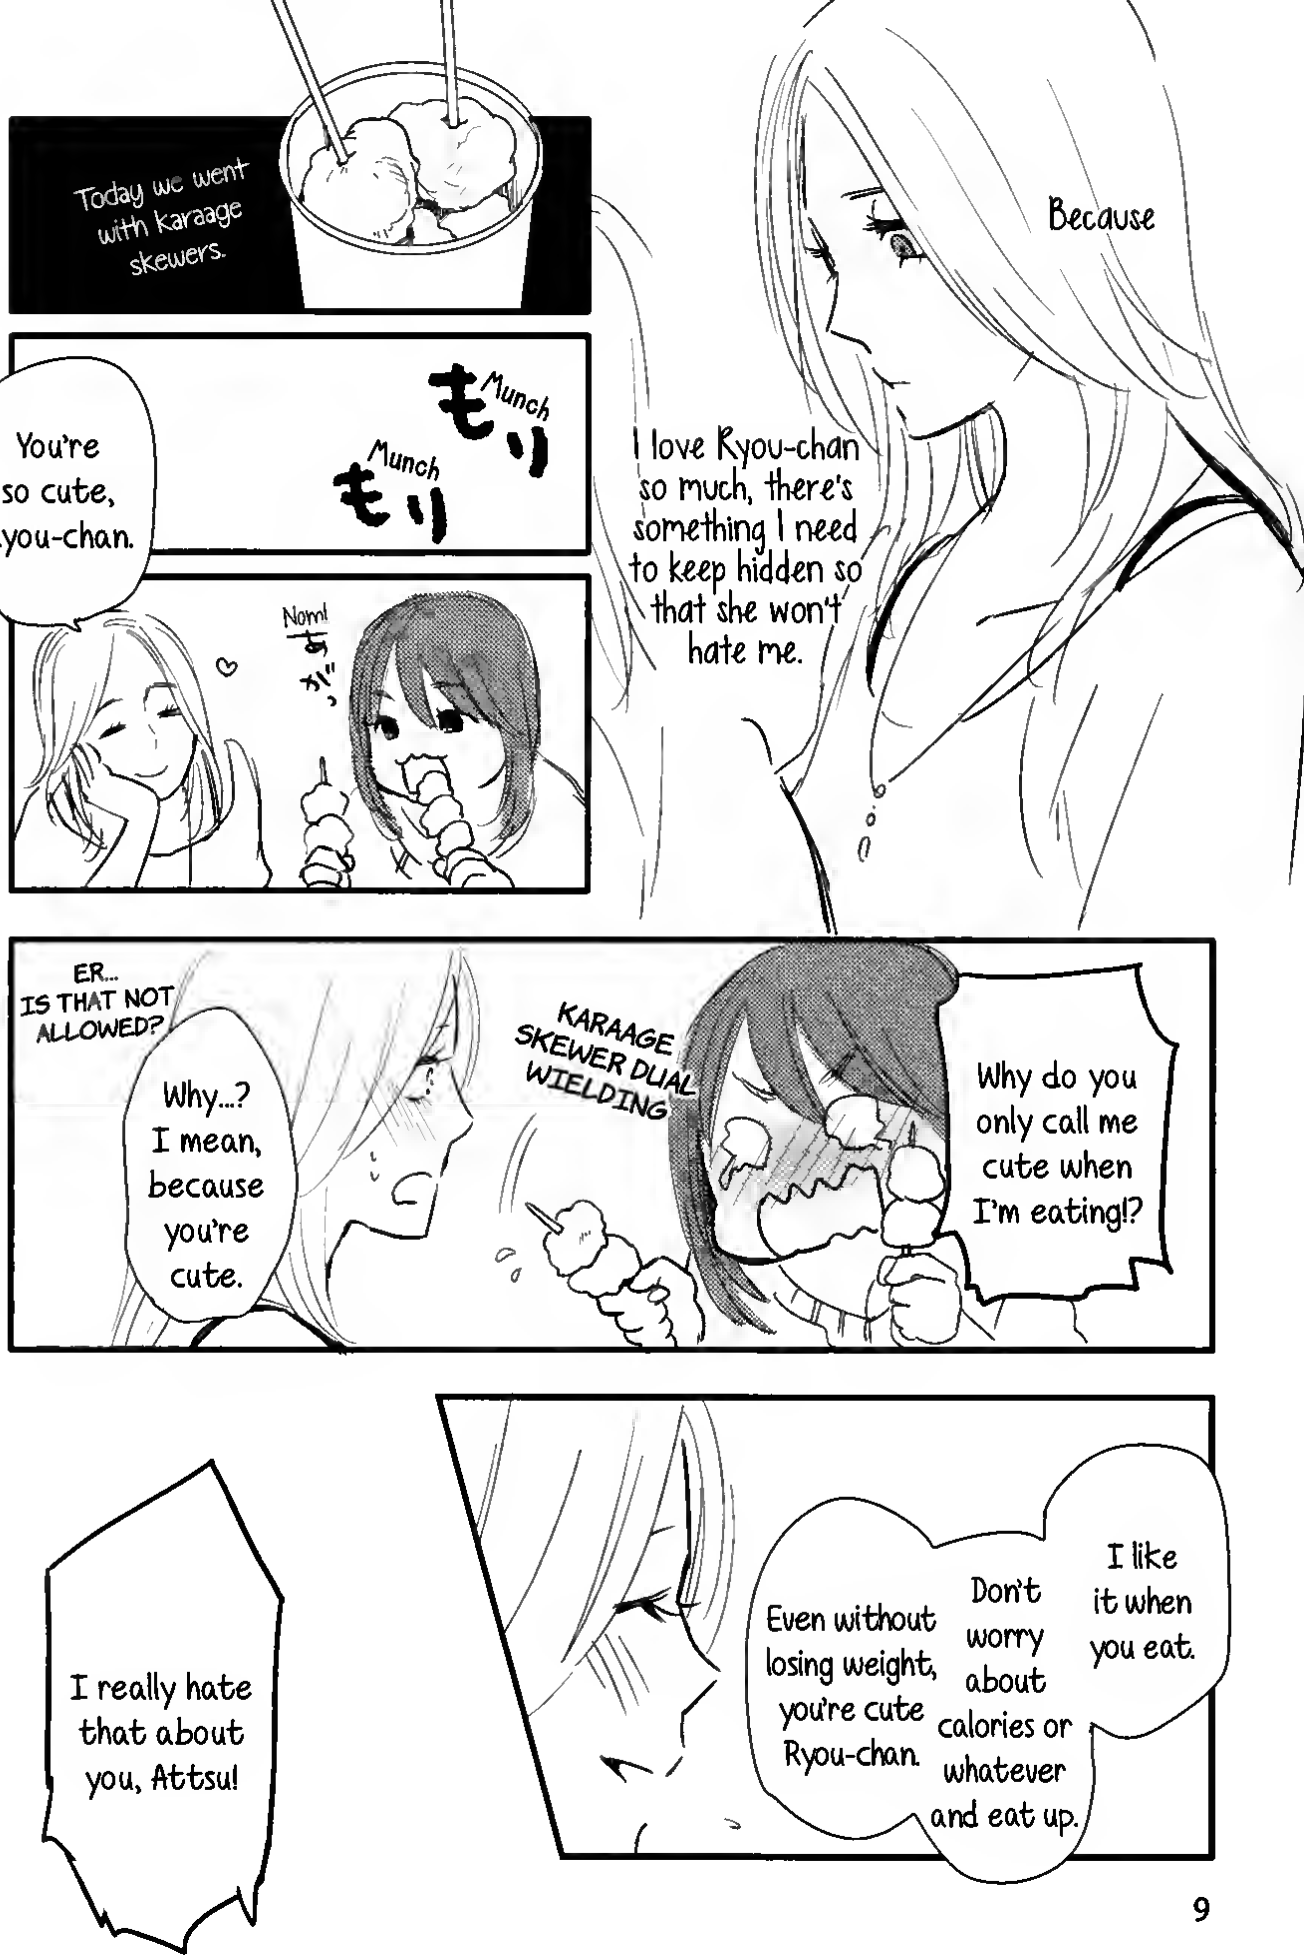
There are some problems with her personality, but
Ryou-chan is really cute. I totally love her appearance.
I guess I might be kinda hungry after all.



Today we went with karaage skewers.

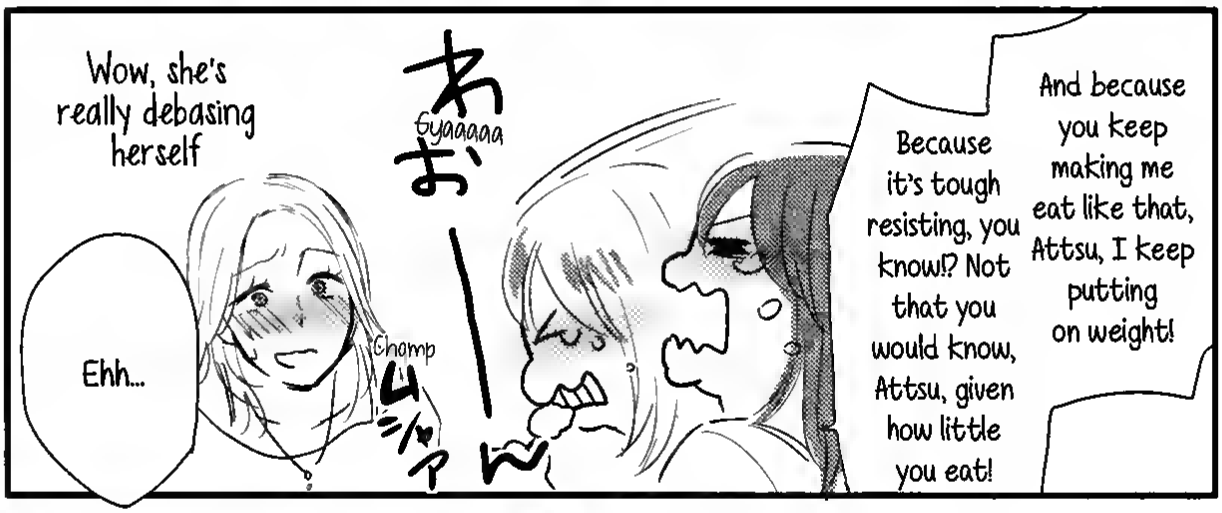
You're so cute, Ryou-chan.
Nom!
Because I love Ryou-chan so much, there's something I need to keep hidden so that she won't hate me.
ER... IS THAT NOT ALLOWED?
Why...? I mean, because you're cute.
KARAAGE SKEWER DUAL WIELDING
Why do you only call me cute when I'm eating!?
I really hate that about you, Attsu!
Even without losing weight, you're cute Ryou-chan.
Don't worry about calories or whatever and eat up.
I like it when you eat.

You look cute when Ryou's beside you, huh Attsu? Must be nice.
And if Ryou got fatter, you'd look even skinnier, right Attsu? Must be nice.



And because you keep making me eat like that, Attsu, I keep putting on weight!
Because it's tough resisting, you know!? Not that you would know, Attsu, given how little you eat!

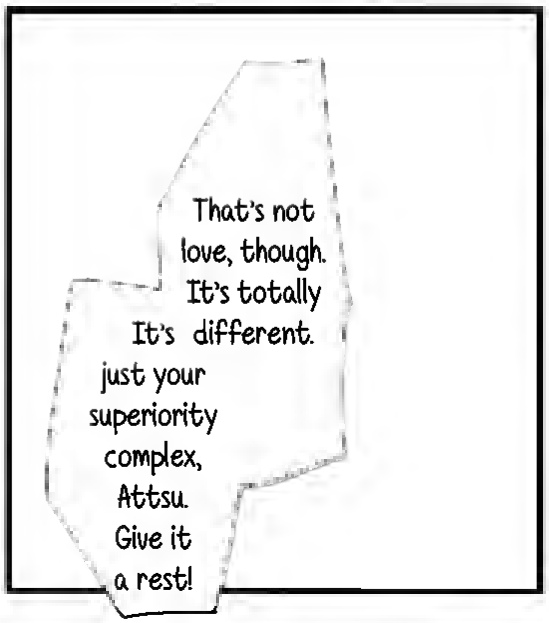
I seriously do think that you're cute, Ryou.
No matter how many kilos you weigh, you'll be cute and I'll love you.



That's not love, though. It's totally different. It's just your superiority complex, Attsu. Give it a rest!

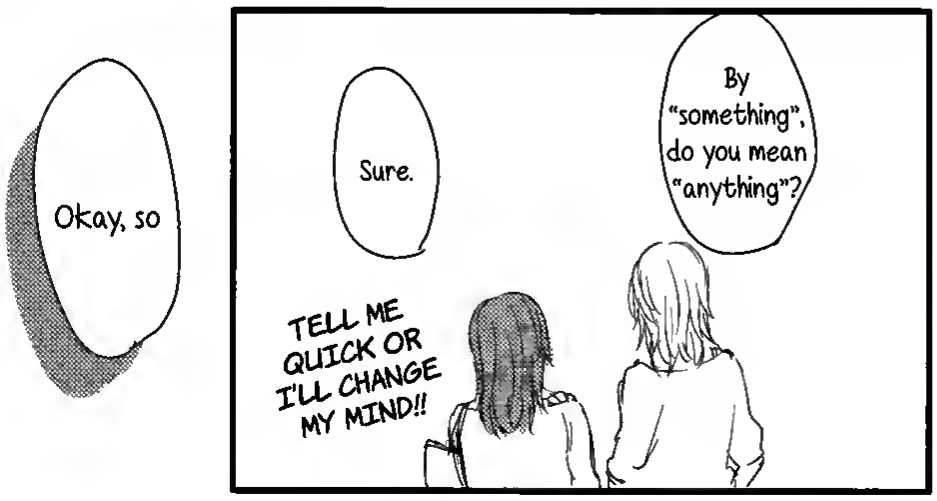
You're fine the way you are.
Ryou's gonna lose a bit more weight.



Okay, so
Sure.
By "something", do you mean "anything"?
TELL ME QUICK OR I'LL CHANGE MY MIND!!
But I feel kinda bad...
Ryou wants to do something for you, Attsu.

About "Shiromuchi"

Skinny top x chubby bottom!
It's not "beautiful top x chubby bottom"!
With that in mind, I intentionally drew the top with a weak face.
Ah, I do of course like beautiful top x chubby bottom too.
The highlight is the scene I drew Ryou-chan about to cry, when her eyelids get all swollen.

Translation notes

Matte "Face each other" The *gyoji* (referee) says this to the *rikishi* (sumo wrestlers) before the match

Nokotta "You're still in" The *gyoji* yells this during the match to encourage *rikishi* to keep wrestling

Mawashi A belt worn in martial arts, though for sumo this also functions a loincloth

Teppou A wooden pole that *rikishi* strike for practice.

Tenka taihei (written on Attsu's fan) Peace reigns over the land

'Shiromuchi' means something like "Pale and Chubby"

About "Furry Yuri Schoolgirls"

First of all, it's heartwarming, isn't it?
Someday I want to try drawing some bloodthirsty furries too, though.
Ones where it's all eat-or-be-eaten.
Also, I've been thinking a little bit about what might happen with an "oviparous furries mating yuri."
Well, someday.

About "Le Petit Chaperon Rouge"

For an elderly woman and a middle-aged woman to each catch a hot young girl–it's too good to be true.

I had more or less forgotten what I had drawn here, so it had a fresh feeling when I read through it, but I ended up thinking, "The person who drew this must be an idiot," and then, "Well, I guess it's fine as long as they had fun."

Will there be any auctions or things like that? Isn't it exciting when you get a whole bunch of people together?
Kyaaa!
ALL OF THAT IS OFF LIMITS...
Ahem...

There's a system for registering the photography of cosplayers.

Cosplay space

Of course cameras

but also phones

all must be registered!

Okaaay!

I'm taking it!

You can't bring dangerous items or replicas of weapons.

It's a toy!!

Be sure to get permission from those you wish to photograph,

and, as it causes unnecessary problems, please refrain from photographing the circles' areas.

!?

What is that!?

24H

I'm so hungry

You can't leave the event area in cosplay.

People in the neighbourhood will be shocked!!

Ehh!! I'll be careful!

okay? What else

Please refrain from disorderly projects such as auctions, etc.

And consult with the main office ahead of time!

RAAAH!

ドドド

Waaa It's not dignified at all!
This is an example of what not to do when taking a break in the event area
I CAN'T WAIT UNTIL I GET HOME!
Please do not sit here.
I WANT TO YURIYURI RIGHT NOW!!
YURI
Don't sit in the event area, stop against the walls or go into off-limits areas!
There is no alcohol or smoking allowed in or around the event area!
Take your trash home with you! Don't throw it out at a convenience store along the way.
Enjoy doujinshi once you get home!
Yuri Victory!

That's a secret
I'll tell you when you're an adult
ドサッ

I went on for quite a while today, but..
You did a great job of following all of it
That's 'cuz I wouldn't want the event to get shut down because of some problem I caused!
I know what's important!

That's loving yuri... And thinking about each other!

Thanks for teaching me all that, Youko-oneesan!

Squeeze...

That's right! I'm so happy you understand, Hama-chan!

Those who mind the rules and their manners...
Are elegant maidens!!

We're cheering for all of you to find some wonderful yuri and have some new encounters ♥

If you have any problems, please go to the main office.

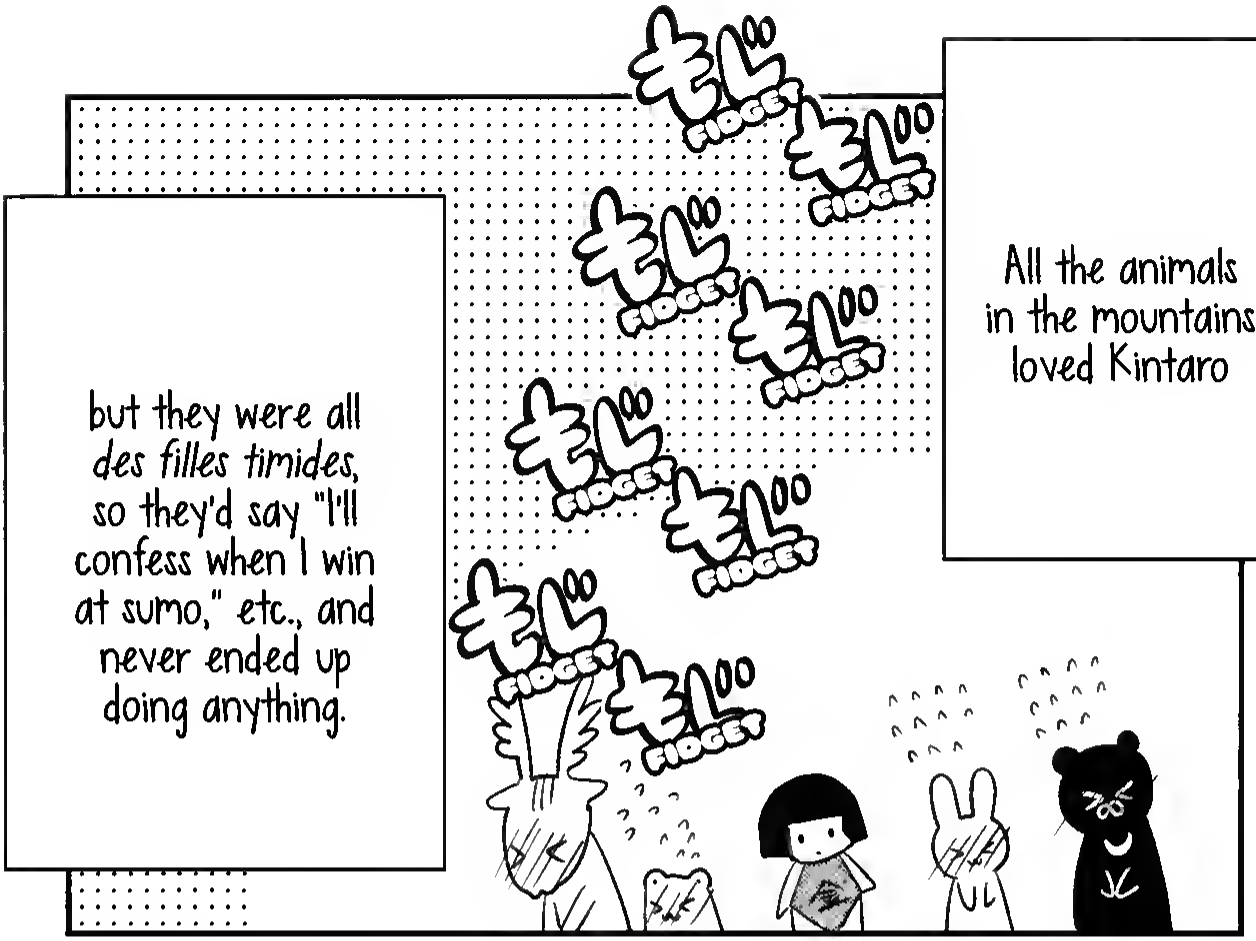
Sexy
Kintaro

In the Ashigara mountains, there once dwelt an incredibly strong and sexy young woman.
Hayaaa!
SMASH!!
You're still in!
GRRRR...
You're still in!

AHHHH!
YAA!!
すてーん。
Toss!
You can challenge me whenever you want.
Bearnadette'll definitely win the next one!!
Mmmm!!
SO COOL!!
Kin-chan won again today!



All the animals in the mountains loved Kintaro

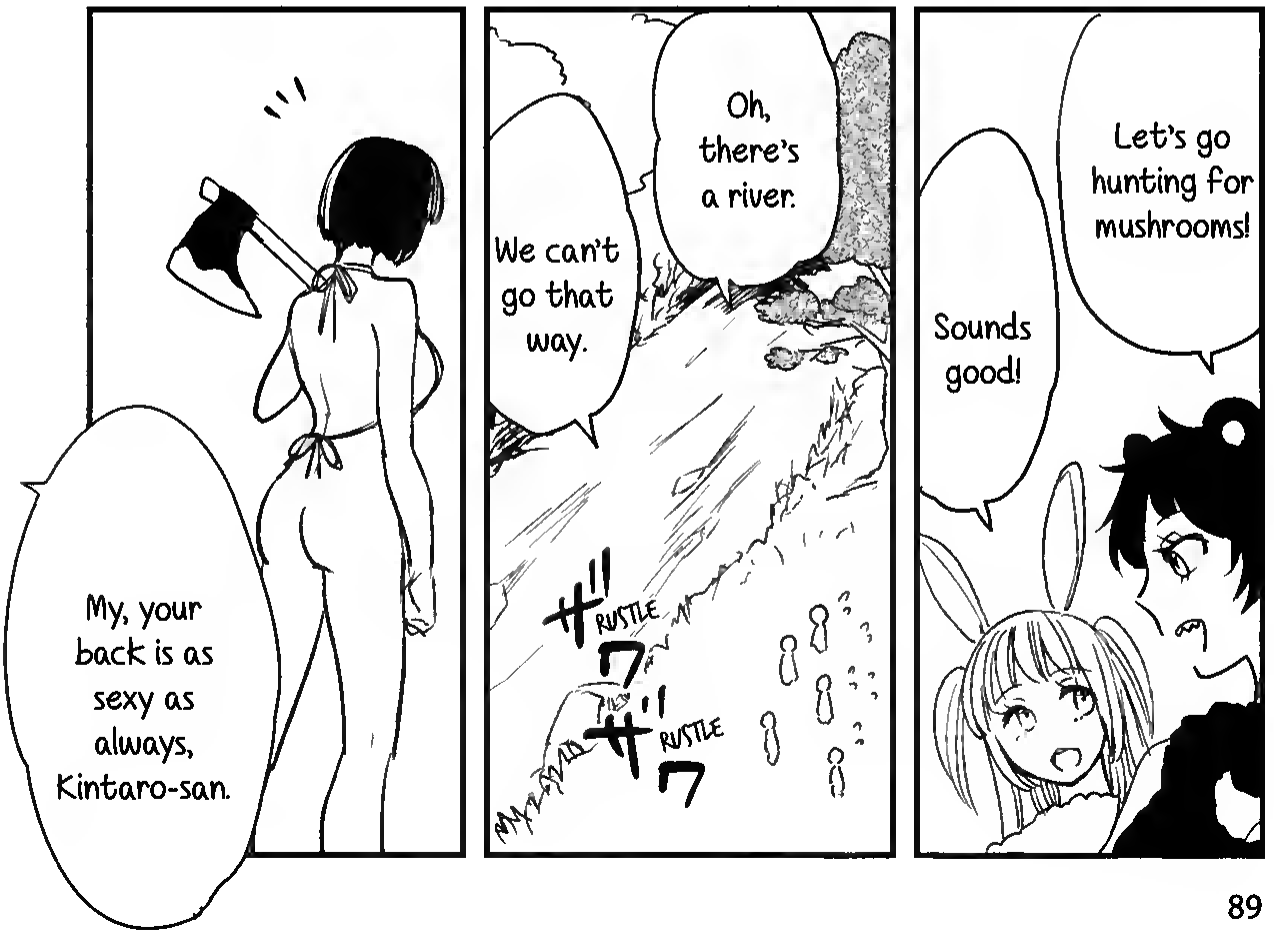
but they were all *des filles timides*, so they'd say "I'll confess when I win at sumo," etc., and never ended up doing anything.

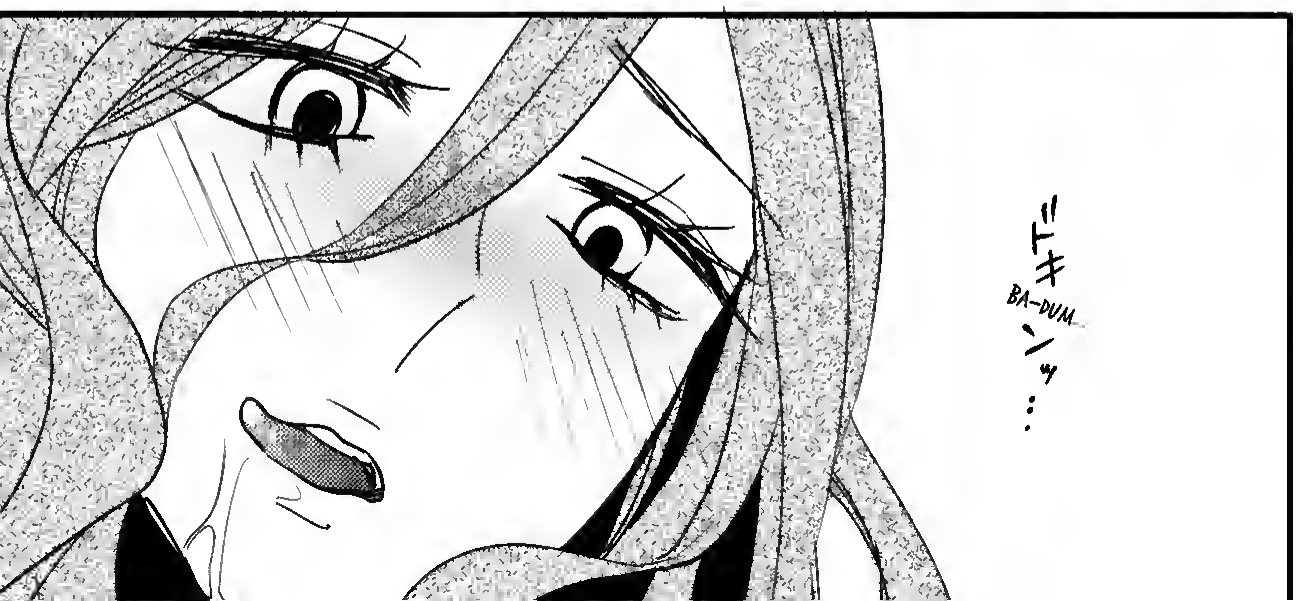


Let's go hunting for mushrooms!
Sounds good!
Oh, there's a river.
We can't go that way.
RUSTLE
RUSTLE
My, your back is as sexy as always, Kintaro-san.

Big Tree-san!!!
Please pee a bit right there♡ To fertilise me♡
Rustllllle...
ガワワ...
Oh no♡ Sap's coming out♡
Oh my, just what are you planning on doing to me with that great big axe of yours?

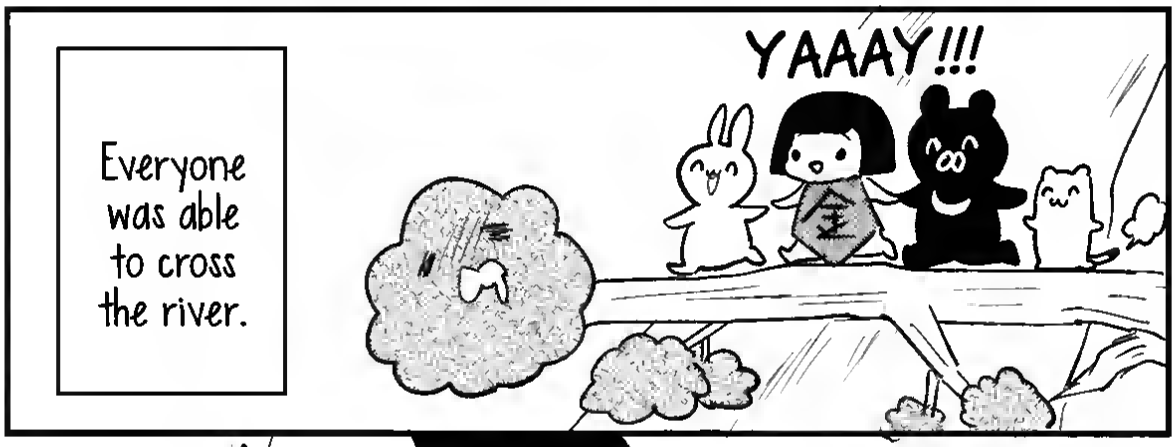
Eh...

.....
Is it okay...?

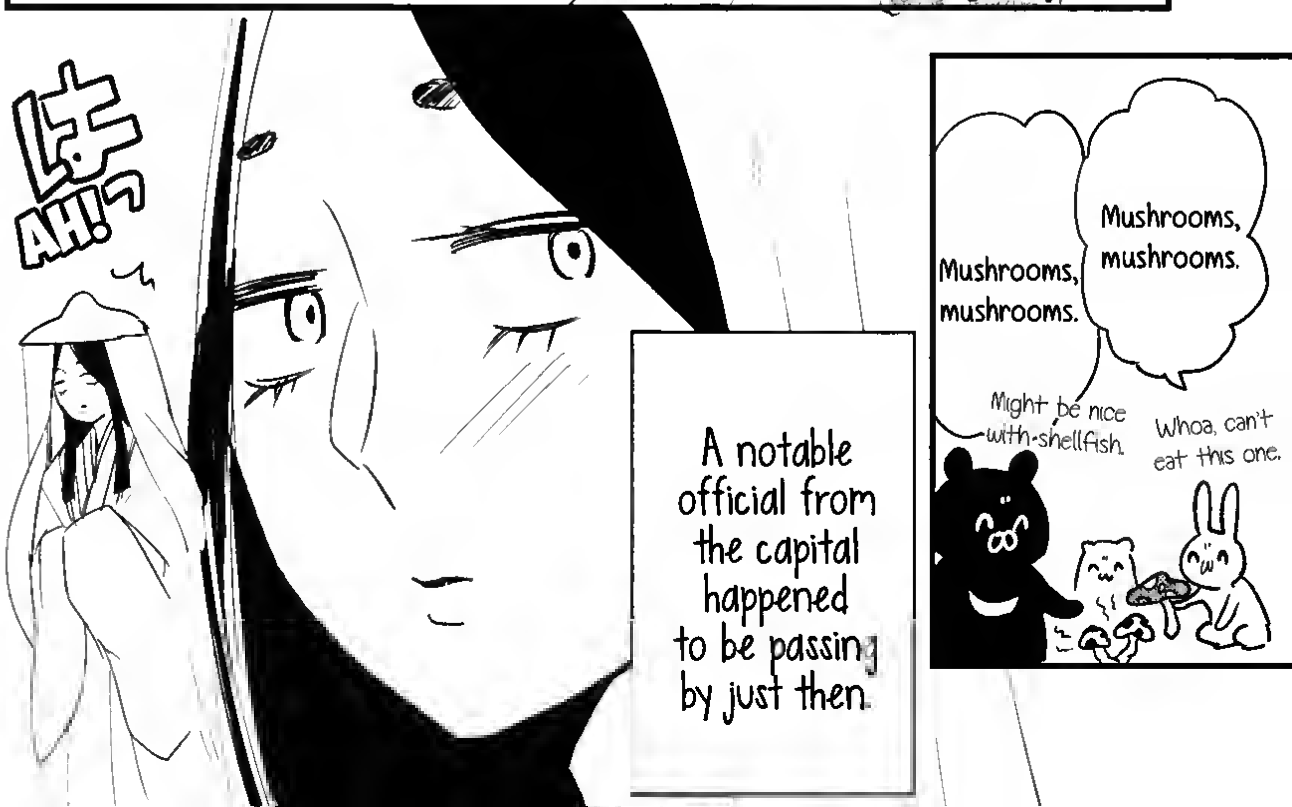


ドキ
BA-DUM
ン…

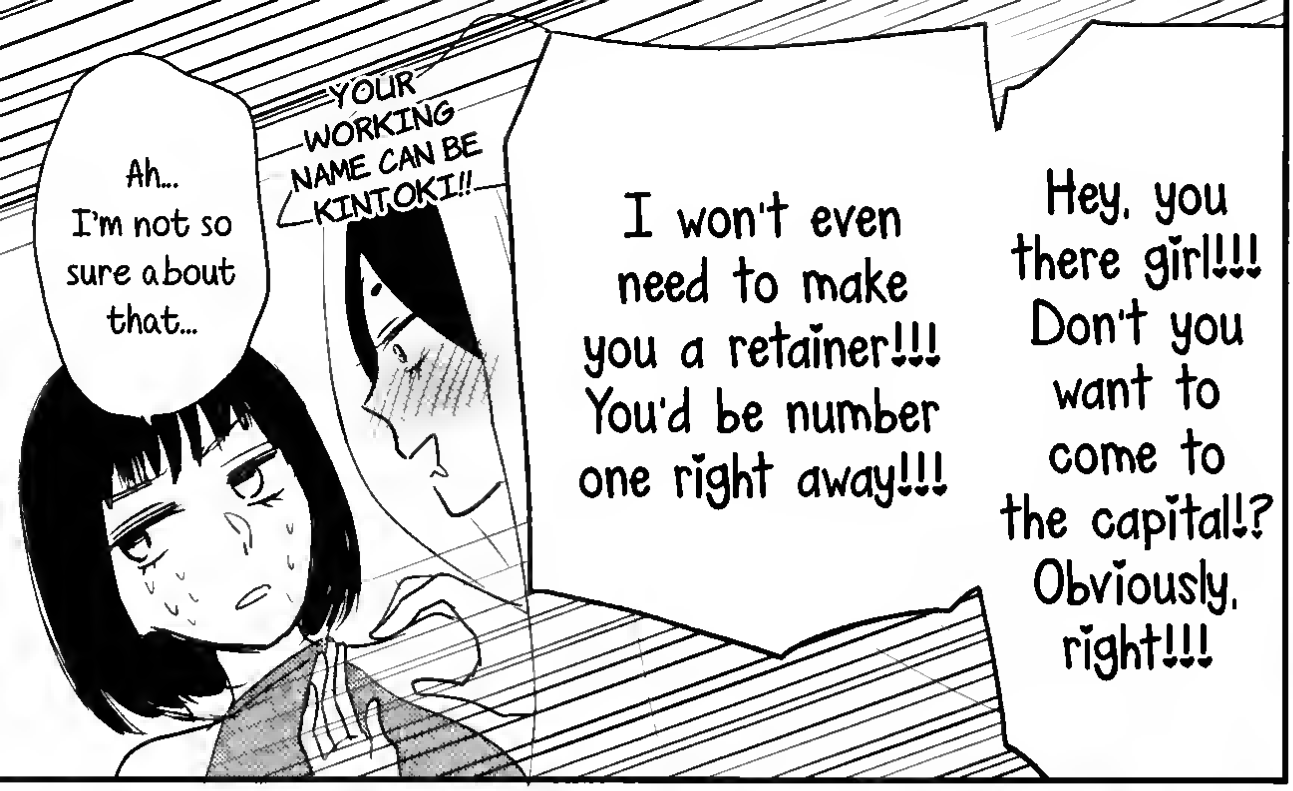
Yeah, you can come right over me!!!
CRAAASH



Everyone was able to cross the river.
YAAAY!!!



Mushrooms, mushrooms.
Mushrooms, mushrooms.
Might be nice with shellfish.
Whoa, can't eat this one.
A notable official from the capital happened to be passing by just then.



Hey, you there girl!!! Don't you want to come to the capital!? Obviously, right!!!
I won't even need to make you a retainer!!! You'd be number one right away!!!
YOUR WORKING NAME CAN BE KINTOKI!!
Ah... I'm not so sure about that...

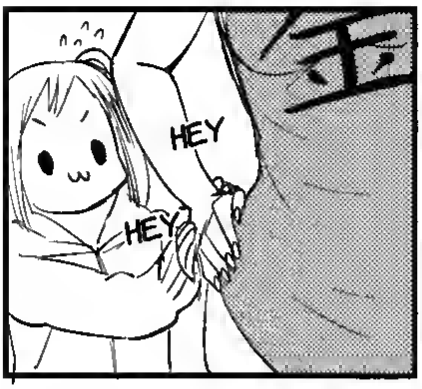
Hi
Grrrrr

Rum
ble

Rustle...

What was that? I'll take you on in sumo!
I'm not gonna permit that kinda selfishness from a lowly human.

Ahhh.

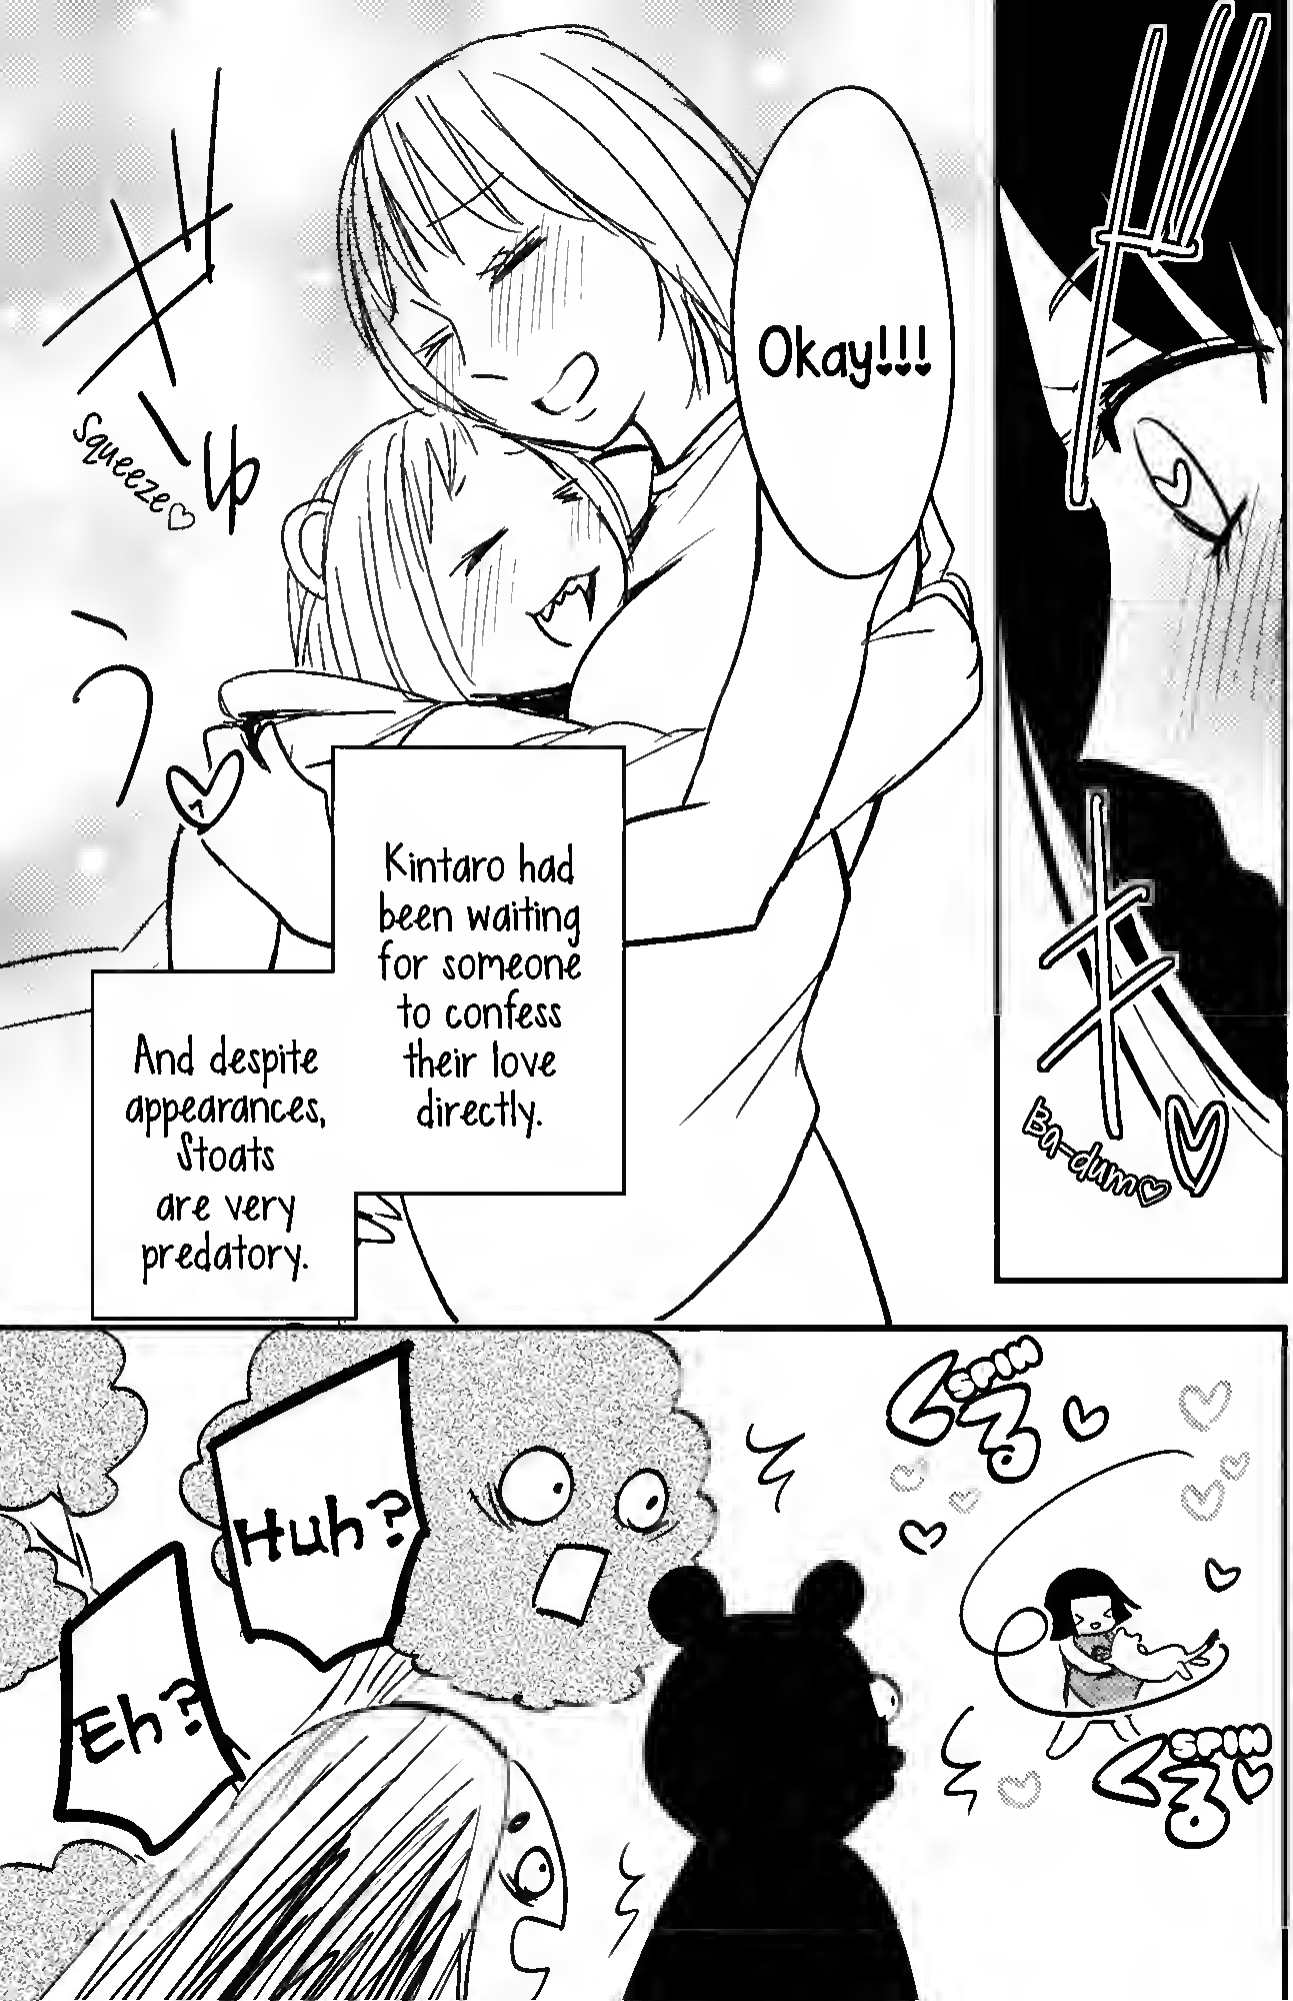


HEY
HEY

ゴゴゴゴ...
RUMBLE RUMBLE RUMBE...
ピキャー
Crack
I'll kill you.
I'll kill you.
I'll kill you.
It grew stormy upon Mt. Ashigara.

What's up, Stoat-san?
Um, um.

I'm weaker than you, Kin-chan, and I can't give you anything, but...
I love you, Kin-chan.
Be my bride.

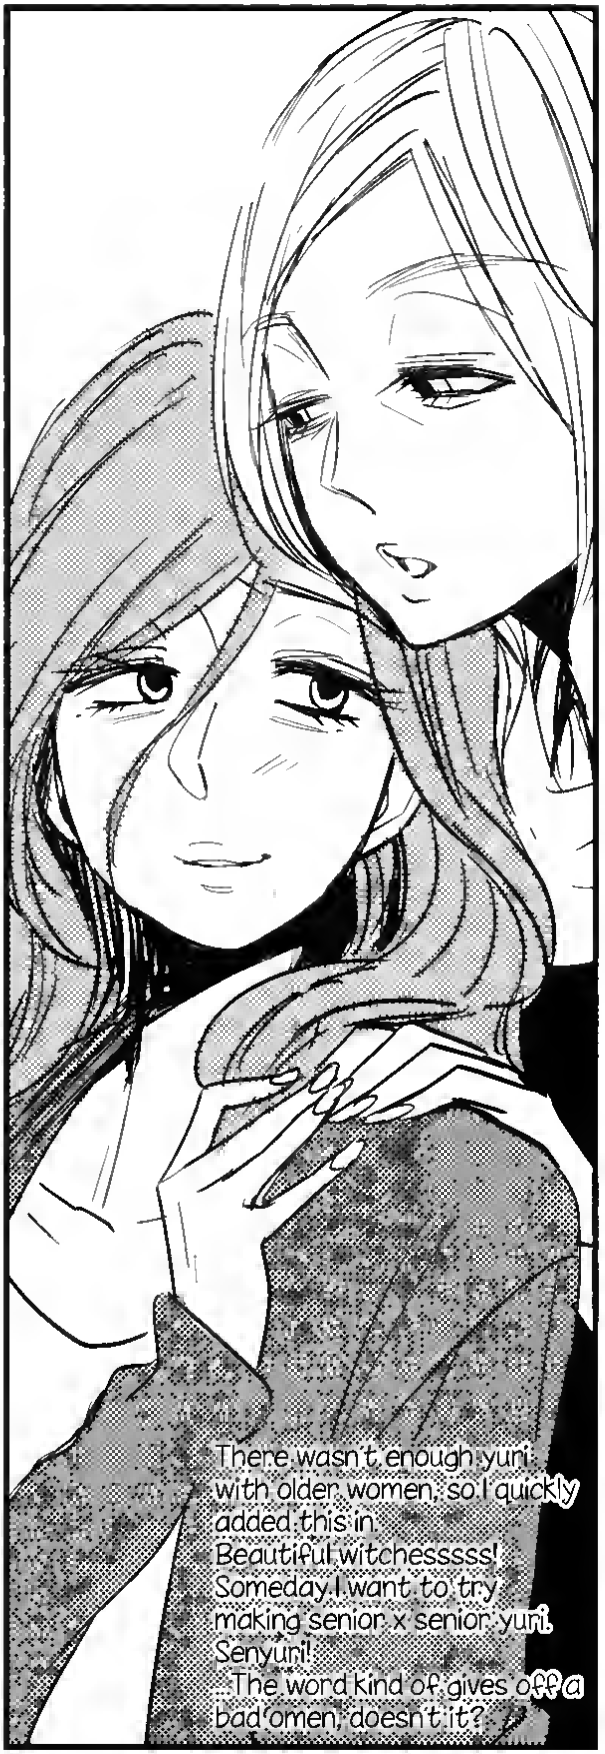


Okay!!!
Squeeze
Up
Kintaro had been waiting for someone to confess their love directly.
And despite appearances, Stoats are very predatory.
Ba-dum
Huh?
Eh?
SPIN
SPIN

The end.

And with that money, everyone lived happily ever after.

After that, the yuri doujinshi that everyone made became quite popular with the people of the capital.



There wasn't enough yuri with older women, so I quickly added this in.
Beautiful witchesssss!
Someday I want to try making senior x senior yuri.
Senyuri!
...The word kind of gives off a bad omen, doesn't it?

About "Sexy Kintaro"

The story of Kintaro is quite rambling in the first place, so this is naturally quite rambling too. However, I'm starting to doubt whether Kintaro and Little Red Riding Hood can be called yuri works...
Ah, it's the... motif! It's the motif!!
...I really like age gap couples. With aggressive younger girls!

Afterword

How did you like that?
I hope you enjoyed it.
There are still so, so, so many things I still want to do, so I want to start looking after my health.

When I tried gathering all these works, I realised just how many of them had furry elements.

Thank you for sticking with me this far.
